

AgentBlue

The one that works

MOSS, MOULD & LICHEN KILL

SPRAY ON

NO RINSE OR SCRUB

WORKS OVER TIME

Agent Blue is formulated by Stratacote Surface Protection to provide a highly effective removal agent for Moss, Mould & Lichen on a range of surfaces such as Brick, Stone, Asphalt, Concrete, Metal & Timber. Simply spray it onto the undesired growth & leave it to work. Agent Blue also features high residual properties to prevent regrowth over varying time spans.
